

Technology-Enhanced Pharmaceutical Discovery (TEPD)

SEMINAR SERIES 2024

Monday May 27th
12:15p.m. to 1:15p.m.

SPEAKERS

Ben Stordy, PhD., University of Toronto

"Engineering nanoparticles to enable targeting in serum"

Farshad Murtada, PhD., University of Toronto

"Barcoded DNA Nanostructures for High-Throughput Capture of Low Affinity T Cells "
